Chapter 6: Prescription Drug Benefits

The Section titled "How the Benefit Works" has been updated as follows:

CVS Caremark is the Plan's pharmacy benefit manager (PBM). The role of the PBM is to:

- Provide a dedicated customer service team for Plan Participants and their covered dependents.

The drugs included in the Plan's Formulary are subject to change from time to time by CVS Caremark if accepted by the Plan. All drug lists, including the CVS Performance Drug List and the Medications Requiring Prior Authorization for Medical Necessity, are updated quarterly and are available on [cooperative.com](https://www.cooperative.com) > **My Benefits > My Insurance > Manage Your Prescriptions > Plan & Benefits**. If you are unable to access this website, call NRECA's Member Contact Center (MCC) for a copy of the list at no cost to you.

As a courtesy, the Plan may send a notice of change in the mail to you based upon your prior prescriptions filled providing you with additional notice of any changes and any impacts to your drug coverage.
